

Blooming Nine Patch Quilt Supply List

Student Prerequisites:

Must have a working knowledge of your sewing machine, sewing/quilting experience, how to use a rotary cutter and ruler. Accurate cutting skills and piecing skills.

Student Supply List:

Materials: Fabric selection is the most important part of this quilt. Using some large flowery prints is perfect for this project. You can use a color theme as I did with this one or use some fabric that creates a color burst. The color values of the fabrics create the change. The basic idea behind this quilt is that each fabric shares one or two colors of the preceding fabric to help the fabrics blend and create the “bloom”.

-Fabric – 8 different fabrics

1. 3/8 yard
2. 5/8 yard
3. 3/4 yard
4. 1 yard
5. 1 3/8 yard
6. 1 5/8 yard
