What You Should Know:

- **Press & Square Quilt Top:** Ensure length of borders match the center length. Uniform length and width prevent puckering.
- **Clip Thread Tails:** Remove all thread tails and check for unsewn seams or holes.
- **White Fabrics:** Clip dark threads on the back of the pieced top to avoid them showing through.
- **Backing Size:** Should be 4" larger on each side than the quilt top (8" total length & width).
- **Batting Size:** Should match the backing—4" larger on each side.
- **Adding Leaders to Backing:** Automatic charge if backing is less than 8" larger than the top in L and W.
- **Minky or Stretchy Fabric Backings:** Must be 8" larger than the top in L and W when brought in, as no leaders will be added.
- **Separate Layers:** Press quilt top and backing. Fold separately; do not layer or baste.
- **Binding Fabric:** Provide fabric, but do not pre-cut or pre-make it.
- **Seaming Backing:** Sew seams away from selvage edge and trim selvage to avoid shrinkage.
- **Washed Fabrics:** Wash backing if you've washed the quilt top fabric Press and trim loose threads on backing after washing.
- **Minor Repairs:** \$20 for repairs up to 10 minutes. More time requires we call you first.
- **Cleanup Charge:** \$25 for Minky or similar fabrics.
- **T-Shirt Quilts Disclaimer:** No guarantees for non-cotton shirts, rubberized vinyl, thick embroidery/patches, or poorly stabilized fabrics.
- **Prices Subject to Change:** Use the current Longarming Work Order Form.
